

ADULT PAROLE
COMMUNITY RESOURCE DIRECTORY
OMAHA & SURROUNDING AREAS

2013

Adult Parole Administration keeps records of community service providers that provide services to parolees across the state. This information is reviewed annually. Although we try to maintain accurate and reliable information, we can not guarantee all information in this summary to be totally accurate. We suggest anyone interested in service delivery by a provider; contact that provider to determine if the service provider information is correct.

The Omaha District Community Resource Summary was updated by requesting each Parole Officer, who covers or works within that territory to verify the correct business, phone number and address, and to evaluate their continual use as a referral source. This Summary covers the Omaha, Fremont, Norfolk, Columbus and surrounding areas for the Omaha District.

Any previous Agencies that are no longer used by the Omaha, Fremont, Norfolk, Columbus and surrounding areas were deleted. Any new Resources were added to this Summary.

If, as a user of this summary, you become aware of a resource that is not listed, please contact the Omaha District Parole Office so that the resource can be evaluated and added to this document, as appropriate. Thank you for assisting Adult Parole Administration in keeping this document accurate.
